

2009 SCX SLOT CAR PERSON OF THE YEAR

SCX recognizes **Maurizio Ferrari** of Slot.it as the **2009 SCX Slot Car Person of the Year** based on his considerable contributions to the slot car hobby during the past 6 years.

Maurizio Ferrari (in the centre between Sergi Pastor, Managing Director of SCX/Tecnitoy, and Chuck Ehredt, US Business Director of SCX/Tecnitoy USA) and the rest of the team at Galileo Engineering have raised the bar on car performance and aesthetics, which has forced most other slot car manufacturers to improve their quality and resulting value for the hobby enthusiast.

To celebrate this award, SCX has launched a limited edition car of the Audi R8 PRO (Ref: 50700). There will be 200 cars released in Spain and 200 in the rest of the world via www.SCXWorldWide.com
